PRIME CLERK LLC

I, Luz S. Carmona Torres, a resident of Vieques, Puerto Rico, and an government employee working for the Department of Education of Puerto Rico.

My claim to the Employees Retirement System of the Government of the Commonwealth of Puerto Rico was that I came from the Head Start Program where I worked as a teacher. After 5 years working for this agency, I switched to work for the Department of Education of Puerto Rico. My surprise is that I am forced to pay the amount of \$65,000.00 in order to be able to cover and catch up after the changes to the current 1.8 as it is now.

It has been painful to me, since I am already 56 years old and was planning on retiring, but not since I have to pay that money, they won't add those years since I have to pay them. To me it would be possible for you to, if possible, consider /illegible/ or waiver so that I may be considered an employee with seniority.

I make this statement not in support, and I do not wish to continue with this proceeding or any type of claim to the Financial Oversight and Management Board for Puerto Rico.

I declare, under penalty of incurring false testimony, in accordance with the Laws of the United States of America, that the foregoing is true to the best of my knowledge and belief, [and that I wish] not to proceed with or belong to any type of lawsuit.
